VIII. DIRECTORY OF THE AMERICAN HISTORICAL
ASSOCIATION, 1920.

DIRECTORY OF THE **AMERICAN HISTORICAL ASSOCIATION.**

General Offices, 1140 Woodward Building, Washington, D. C.

Note.—The list of members of the American Historical Association here printed is the first to be published since 1911. It is correct, as far as possible, to November 1, 1920. The effort has been made to secure from each member information respecting his or her principal occupation, official or other position, membership in kindred societies, and interest in special fields of history. When no return was made of the questionnaire sent to members the entry has been confined to the name and address, except in a few cases where additional information has been readily obtainable from other sources.

It should be noted that life members are indicated by an asterisk, and that all members residing in the States of the Pacific Coast and the Rocky Mountains are also members of the Pacific Coast branch of the association.
